## **POLICE DEPARTMENT UPDATE**

Please find attached the September 2019 monthly update from Chief Andrew Kennedy.

## **WASTEWATER TREATMENT SYSTEM CAPITAL PROJECT**

The commissioning of the renovated/newly constructed East River Pump Station will take place on the morning of Thursday, October 31. The plan is to start up the pump station, monitor the results and provide operator training. This is the first component of the capital project to be completed, and addresses the need to upgrade the station so that it is not inundated when high-volume stormwater runoff events occur. Later in the morning on October 31, the pre-construction meeting for the Wastewater Treatment System capital project will take place at Dobisky. The purpose of this meeting is to coordinate contractors, review the schedule, coordinate the implementation of the Project Labor Agreement, and prepare for the start of construction.
