FOR IMMEDIATE RELEASE

Ogdensburg, NY - Christmas is almost here and I couldn't be happier; it's my favorite time of year! We're busy at the North Pole getting everything ready for our BIG trip. Stopping in the Ogdensburg to visit all the children is the best part! It won't be long 'til we're loading up the sleigh and setting off on our journey.

Once again, we've asked the Elves to keep close watch over our Mailbox to the North Pole that will be located at Ogdensburg's City Hall. Beginning Saturday, November 19th you will be able to mail me your letters and Christmas wish lists! Don't forget, I like to make sure that everyone gets a special note back, so please include your return address and we'll take care of the rest.

To ensure you receive a response before Christmas Day drop your letters at my City Hall Mailbox before noon on Sunday, December 18th. As always, Mrs. Claus and I look forward to hearing from you. Keep up the good behavior and remember to always be kind to one another.

Merry Christmas,

Santa Claus
